

Verification of Authenticity of Certificates of Competency

Adriatico Crewing checks the authenticity of certificates of all candidate / proposed seafarers.

Owners can check certificates of any Ukrainian seafarer. Please see below:

An instant online verification process exists **ONLY** for certificates issued by the **Odessa Maritime Training Center and branches in Kherson and Sevastopol**, by inserting the seafarers name and number of certificate in the following link:
<http://vcert.omtc.com.ua/?lang=en>

To verify the authenticity of certificates of competency of seafarers issued by **ANY** Training and Certification Center in Ukraine, applicants must communicate directly with the Governmental Authority that keeps all data and documents issued all over Ukraine:

The Ministry of Infrastructure of Ukraine
The Inspectorate for Training and Certification of Seafarers
State Register of Seafarers' Documents of Ukraine, Kiev
Web Link: <http://www.itcs.org.ua/>

Email: srdskiev@registr.uct.ua (direct) or crew@registr.uct.ua

Attention: Mr. Fedir Dniprovsky, Director of Common State Register of Seafarers' Documents
